 - Missing screws replaced
 - Stripped screws replaced
 - Some screw holes are stripped and unfixable without a tap.
- Check-up on Swarmie Alpha
 - All motors good.
 - Claws good
 - Screws good
 - Sensors good
 - Code good
 - Cube pick up test successful

My Goals for Next week

- Install and test LEDs and Speakers.

Needed from Dr. Becker

- Sign Recreation Center form to allow Kyle and I to get membership. (Emailed to your .edu email)
- Still need to fully discuss what the project entails and record all requests.
- Need the LEDs, Speakers, and USB Hub.
