

## Weekly Report

### My Goals from last week

- Brainstorm sound patterns or other ideas.
- Test all ideas.
- Have the rover fully working with audio debugging.

### My Accomplishments this week

- Rover is fully working with audio debugging.
- Made video demo of Audio Debugging Swarmie.  
(<https://www.youtube.com/watch?v=G-WA-Zpx5n4>)
- LED's are tested and operational, but not yet implemented.
- Finished paper presentation.

### My Goals for Next week

- Have rover fully working with LED debuggers.

### Needed from Dr. Becker

- A hug!
